Interests

My work draws inspiration from music and animation. Passionate about illustration, both digital and traditional, I also have a strong interest in culture in all its forms: exhibitions, cinema, graffiti.

Skills & Experience

Third year in graphic design :

Workshop with graphic designer Alec Vivier-Reynaud to experiment with mushroom bio-printing.

Workshop with graphic designer / web designer Samuel Jan to code the school's website.

Second year in graphic design :

Workshop with editorial graphic designer Julien Boitias to create a booklet for the Monik Lézar agency.

Internship in the communication department of the city of La Louvière in Belgium.

Internship at MAGMA (Musée des Arts Graphiques et des Musiques Actuelles) in Finhan to design mediation panels for the village heritage tour.

First year in graphic design :
